From the Prez.....

Thank you Janie for the great fabric painting class....it was fun to see everyone take her instructions and create some beautiful flowers painted on fabric!

Looking forward to the demo's we have in June.....Rock Mandala Painting and Making Button Flowers, be sure to check them out. Bring something for the potluck and to paint.

Remember we still need handcrafted/painted items for the craft show in November.

Be sure to check out and sign up for upcoming Special Events and Classes listed in this newsletter. Sign up early to avoid to avoid late fee.....this also helps teachers to plan for number of students in class. Glad those that attended SDP conference weren't blown away by a tornado, can't wait to hear about their ADVENTURE!

Tugboat Talk

I really enjoyed our last meeting. :-)

It was a very relaxing, friendly, creative day spent with wonderful TBT members. Thank you!

Robin Heath

Just want to thank everyone who took my class. Everyone did such a great job

Janie

I so thoroughly enjoyed Janie's class. It was so stress less and interesting to see how everyone used the pattern and colors to come up with their own unique piece. Thank you Janie. Let's do it again!

Nancy WALch

Thank you Janie for the fun class. I found it interesting how many different surfaces, and designs were created. I totally enjoyed it! Looking forward to the demos by Barb and Patti at the next meeting too. Blessed to have SOOO many talented friends to paint with.....

Helen

Happy to be Home, but very glad I went! National Convention was fun! I don't think it was so very different from Seattle or Portland conventions (and I think we had better class options) but it was fun because I did not really have to work the entire time! Got to meet some old friends, made some new ones, Painted with Becky Albeke and Prudy Vannier.

As it was the last Convention for SDP they are talking about some new ideas about having "mini-conventions" based in 3 or 4 different areas of the US to try to make it more accessible to a larger student population. Nothing was confirmed as they are still working out the logistics, but with an organization of over 7,000 members, their attendance was less than 300 in students. We all know what that means.

Your painted BackPacks were a huge hit. Overall there were 212 backpacks painted and either hand carried or mailed in to the offices. I do believe our 'little' chapter should be very proud of our accomplishments!

See you at our next meeting!
